

Onboarding and Joining Process

Company: Northwind Digital (fictional demo company)

1. Before your first day

- You receive an offer letter and a welcome pack at least 10 working days before your start date.
- People Operations sends your equipment shipment tracking number.
- You complete the secure identity verification form in the HR portal.

2. Documents required on the first day

- Signed employment contract and confidentiality agreement.
- Proof of identity: passport or national identity card.
- Proof of address dated within the last 3 months.
- Bank account details for salary payment.
- Signed tax declaration and social security details where applicable.
- Signed employee handbook acknowledgement.
- Emergency contact details.

3. First week

Day one includes IT setup, payroll registration and a welcome session with People Operations. Your manager runs a team introduction session and assigns a buddy for your first month.

4. Probation period

New employees have a probation period of 3 months for professional roles and 6 months for graduate roles. A probation review meeting takes place at the midpoint and at the end of the period.

5. 30-60-90 day plan

Every new employee agrees a written 30-60-90 day plan with their manager during the first week. The plan is reviewed at the 90 day probation checkpoint.

6. Security training

All new employees must complete security awareness training within the first 5 working days. Compliance with the acceptable use policy is a condition of employment.

7. Relocation and remote onboarding

Employees who join remotely receive a equipment shipment to their home address. Remote onboarding includes a mandatory 1:1 video call with People Operations in the employee's first week.

8. Who to contact
